NO BUS RUN NEXT FRIDAY

Dear Parents, Caregivers and Bute Primary Community,

It has been an interesting start to spring with some warm weather followed by rain and cold weather. The bus drivers are finding it difficult to access some of the roads while they are so wet. Bus drivers will inform you if there are any temporary changes to bus routes during this time. Di Schultz is away at present. If your child is on Di's bus, please remember to contact Paul about anything bus related.

My fingers are crossed that the weather on Monday is great for the JP students to visit the Zoo as well as on Friday for Sports Day.

Sports Day

Sports Day programs and tops will be sent home early next week along with another copy of the roster. Please ensure you arrange your own swap if you are unable to work the shift that you are rostered to do. If you make a swap, please let myself or Renee Hewett know.

Thank you to everyone that has volunteered to help out with setting up the oval on Thursday. It would be great if we could get a few more people out helping. Many hands make light work. Please meet Jarrad Cock and myself at the football club rooms at 10am.

PAT

Year 3-6 students have undertaken PAT Comprehension and PAT Maths testing this week. The R-2 students will complete the testing early next term. Once all testing has been completed, staff will spend time analysing the results. If you would like to discuss your child's results with their teacher, please book an appointment.

NAPLAN

NAPLAN results were sent home last week. Included with the newsletter for families with a child in Year 3 and 5, is an information brochure to help you interpret the report. Please make an appointment to speak with your child's teacher if you have any questions or concerns about NAPLAN results.

2017

I am in the process of looking at class structures for 2017. It is important that I can calculate this as accurate as possible. If you know of anyone who is moving into the area for the 2017 school year, or if your child is not going to be attending Bute

Primary in 2017, can you please let me know as soon as possible.

Friday 23/9 @
Bute Oval.

Lexile Information Session

Lexile Reading is used for students that have progressed beyond Running Records. We have a Parent workshop scheduled for Thursday 20th October, in the evening. We will send out more information once it has been confirmed with the presenter.

Welcome

We would like to extend a warm welcome to Cameron and his family. Cameron has joined the Upper Primary class and has settled in extremely well.

Departure

The staff are extremely concerned for the safety of some of our students when they are crossing the road to parent cars at the end of the day. We are particularly concerned about the students that are crossing in between the busses and those running across the road with little awareness of the traffic around them.

Due to this, we are going to trial a new system (starting today). Bus children will wait in their current location until such time they board the bus.

All other students, will leave the school yard through the gate near the front office. Students will wait at the gate until a teacher gives them permission to leave the school. We will review this process at the end of the term.

If you have any questions or concerns, please speak with classroom teachers or myself.

Looking forward to seeing you all at Sports Day next Friday.

Regards,
Dianna

It was lovely to receive this e-mail yesterday from Bev Prestwich, Art Convenor, Kadina AH & F Show Committee.

Hello

On behalf of the Kadina AH & F Show Committee, I would like to thank all the students who submitted items in the 2016 Kadina Show.

Your hard work and creativity was very well appreciated, by both the committee and the visiting public.

We received many comments about wonderful it is to see so many young people supporting a community event.

Mrs Raelene Bussenschutt would like me to make a special mention that the miniature gardens were spectacular!

Thank you for your involvement.

Regards
Bev Prestwich

SPORTS DAY INFORMATION

The students are getting excited about next Friday's NYPSSASA Sports Day and their practice sessions are going well.

A pack including the Bute PS uniform, programme and information will be sent home early next week.

NYPSSASA Sports Day – Friday 23/9 @ Bute Oval

- ◆ Sports Day is considered a normal school day, with all students expected to attend unless ill or extenuating circumstances exist.—Please contact us as a matter of priority if your child **will not** be attending Sports Day
- ◆ NO buses will run on Sports Day.
- ◆ Students will be given a red and white school top to wear on the day, so that all students are wearing the same and give the school an identity. These tops should be worn with red or white shorts / skirt.
The tops can be worn home and we would appreciate it if they could be washed and returned to school next week.
- ◆ Students are to assemble in the allocated area on the Bute Oval no later than 8:45am when nametags will be distributed.
- ◆ Students compete against standards in the morning tabloid events (not against each other) in order to score points. It is these points that determine the overall winner of the day.

The Championship events during the afternoon are conducted according to year of birth, with selected students competing against representatives from the Port Wakefield . Place getters are awarded ribbons.

- ◆ Limited canteen facilities, a Sausage sizzle, cool drinks and Coffee will be available throughout the day from the Sporting Club Canteen.
- ◆ Should the weather be inclement, a decision will be made by 7.00am on the morning of the event, the school will contact you. If postponed, Sports Day will be abandoned – there is no longer provision for a back-up day and students will attend school. School buses will run if day is cancelled.
- ◆ There is parking access inside the oval.
- ◆ While following your children around the oval, we are asking parents/caregivers and other family members if they could assist with events—whether it is timekeeping, returning equipment to the competitors or being a catcher for tabloid events. Please ask the group supervisors if they need any help.
- ◆ **PHOTOS— Could you please ensure that you only take photos of your own children and not any from other schools. If posting on Social Media, please only post photos of your children. There are some students who are not allowed to have their photos taken at all.**

**GOOD
LUCK!**

Sophie and Steph are representing Bute Primary School at the Sport Aerobics competition in Bendigo over the next few days. Good luck girls.

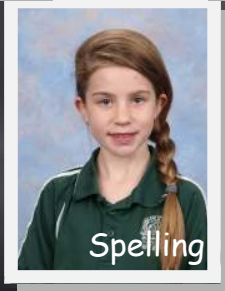

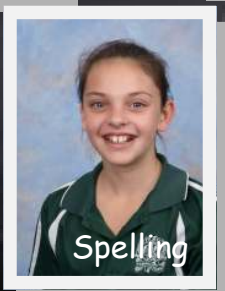

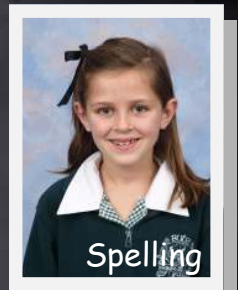

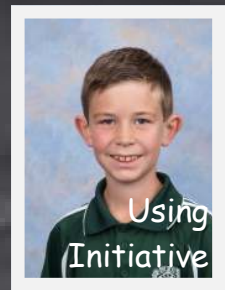

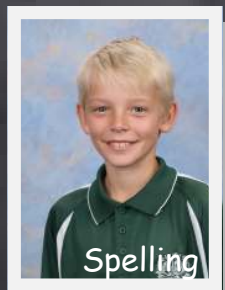

Della cut her hair off a couple of weeks ago and donated it to Variety for the Princess Charlotte Alopecia Program. Congratulation Della, a very brave and caring thing to do.

SAVE THE DATE
PRESENTATION NIGHT
THURSDAY 8TH DECEMBER, 2016

This year we will be holding the Presentation Night at the School, under the Cola. We are planning a twilight event and will have steak sandwiches and a sausage sizzle available. More information early next term.

Congratulations to the following students for  moments

Poetry writing in the Upper Primary

The Upper Primary have started a unit in English on poetry writing.

We started with a *Cinquain poem*.

A Cinquain a short poem consisting of five, usually unrhymed lines containing, respectively, two, four, six, eight, and two syllables.

We had to write our poems about a topic we were not familiar with.

Here are some of our examples.
