## From the Principal's Desk

### Pupil Free Day

Thank you for supporting the recent Pupil Free Day. This day enabled us to do a deep analysis of student achievement data and to plan our improvement work for 2019. We have commenced the development of very precise and targeted goals in relation to improving student outcomes in Literacy and Numeracy in 2019 and beyond. This will enable us to provide a high quality educational experience to all of our students and families.

### Presentation Assembly / Concert

The end of year presentation assembly / concert will be held on Thursday, 6<sup>th</sup> of December commencing at 5:30pm with a BBQ followed by the official proceedings at 6:30pm. There will be performances from each of the classes as well as whole school items. We will also be acknowledging the hard work and consistent efforts of students through the presentation of awards. We hope to see many of our families in attendance on the night to celebrate our journey throughout 2018.

### Premier's Be Active Challenge – High Achievers

Each year 50 high achieving schools are invited to the Premier's Be Active Challenge Reception. This year Bute Primary School has been selected for its outstanding effort in having students complete 10 weeks of the Challenge.

As one of the 50 high achieving schools, Bute Primary School SRC representatives will be attending the official ceremony in Adelaide and be presented with a \$1,000 grant. Our student representatives (School Captains) will be photographed receiving the award from the Premier and Minister. Well done to all the students for their participation and efforts in completing this challenge.

### Preschool News – Transitions

To ensure the best possible start for new children and their families for 2019, we will be hosting a number of transition days to enable children and families to experience Preschool life, and for the sharing of relevant information with families. Our families received enrolment packs earlier in the term, with the first transition days beginning on Wednesday of Week 6. We are all very much looking forward to sharing in the learning and development of our new special little people throughout their time with us.

### Casual Day

The SRC have committed to holding a Casual Day on Thursday, 29<sup>th</sup> of November to support KickStart for Kids. This is the organisation responsible for supplying the food for our breakfast club. The theme is 'favourite sport uniform or team colours' for a gold coin donation. Students can also attend in normal casual clothes. The SRC will also be selling bacon and egg sandwiches and OJ for \$3.

On the 21<sup>st</sup> of November the school reps went to Adelaide Priceline Stadium for the Premier's be active Challenge. There was a starting ceremony, we went up and received an award and a \$1000 cheque to put towards sporting equipment. Due to rain the activities were brought inside the stadium. Our first activity was a dance session followed by a circus lesson by the Cirkids, with them we did hula hooping, skipping, spinning plates, juggling and flower sticks. Our last activity was using large parachutes to flick objects in the air. We enjoyed being part of the Premiers be active Challenge.
