## Student Leadership

At Bute Early Learning and Primary School we continue to support and encourage all of our students to become powerful learners and active leaders. Recently students had the opportunity to apply for and be elected into Student Representative Council (SRC) positions. These students were elected by their fellow students to represent all students in the school. SRC members work collaboratively to represent the student body in school decision-making and organise ways for students to participate in and improve school life for everyone. They are positive role-models for all students and epitomise our school values of GROWTH, RESPECT, INTEGRITY and TEAMWORK and our school motto; *Be Kind, Believe in Yourself, Accept Challenges, No Excuses*. In Week 5 these students were officially inducted into their roles at our first Assembly for the year. Congratulations and best wishes to our SRC reps for 2021.

*Junior Primary: Brody Green  
and Florence Trengove*

*Middle Primary: Asce Pfennig  
and Shayla Bettess*

*Upper Primary: Saxon Krieg  
and Stella Hewett*

# Breakfast Club Volunteers

We are very fortunate to partner with Kickstart for Kids to provide a breakfast club to all of our students. Our Breakfast club operates on Monday, Wednesday and Friday from 8:30am to 8:55am. We are seeking volunteers to help us facilitate this program in 2021. Volunteers need to have a current working with children clearance. Further information or to apply for a clearance, visit; <https://screening.sa.gov.au/home>. If you are able to provide assistance, please call into the Front Office or contact the school on 88 262 060 and ask to speak with Richard.

## Wellbeing and Engagement Collection

Information about the Wellbeing and Engagement Collection has been Included within this Newsletter. **This information is specifically aimed at parents/caregivers who have students in Years 4-6.** The survey used for this collection, asks young people about how they think and feel about their experiences, both inside and outside of school. The survey includes questions related to areas of development linked to wellbeing, health and academic achievement. This survey is voluntary and students can choose to stop the survey at anytime. Students' answers will be kept confidential – no one (including school staff) will use the results to identify individual students. The survey will be held on Monday, Week 9.

**Government of South Australia**  
Department for Education

Dear Parent/Guardian

**Re: Wellbeing and Engagement Collection**

Students in our school have been invited to take part in a survey being conducted in Term 1 2021. This letter provides key information about the survey.

Our school will participate in the Term 1 Wellbeing and Engagement Collection which will be open during Weeks 8 to 10 (Monday 15 March to Thursday 1 April 2021).

### **Purpose of the collection**

Young people's sense of wellbeing is an important part of how they learn at school. The purpose of the survey is to seek students' views about their wellbeing and their engagement with school. Students in year levels 4 to 12 across the State will be invited to participate in the *Wellbeing and Engagement Collection*. The information collected will help the education system and broader community to support young people's health and wellbeing.

### **What is the survey about?**

The survey asks students about their social and emotional wellbeing; school relationships and engagement and learning in school; and physical health and wellbeing and after school activities. Students' answers will be kept confidential – no one (including school staff) will use the results to identify individual students.

### **What is involved in project participation?**

Teachers will arrange for students to undertake the survey during class time. Students will be asked if they would like to participate and will be free to withdraw at any time. **If you do not want your child to participate, please contact the school as soon as possible after receiving this letter.**

### **Will students' information be kept confidential?**

The department takes measures to ensure students' personal information and their identities remain anonymous when participating in the survey.

Participating schools with fewer than 5 students undertaking the survey will not receive a school report in order to protect the confidentiality of students.

### **What will happen if a student is distressed during or after the survey?**

Whilst the survey questions are not expected to distress students, the survey includes questions that ask about topics such as students' happiness and experiences of being bullied. Teachers will inform students that:

- if they find the survey uncomfortable or distressing, they should leave the survey screen immediately
- that it is not compulsory to take part in the survey as a whole, and

students may also skip individual survey questions if they wish.

Students who may want to speak to an adult about concerns or issues and will be supported to do so.

### **Where can I get more information?**

Further information on the Wellbeing and Engagement Collection can be found at [www.education.sa.gov.au](http://www.education.sa.gov.au) (search:wec) or can be collected from the school. For questions or concerns, or to view the questions, please email [Education.WECSA@sa.gov.au](mailto:Education.WECSA@sa.gov.au).

Sincerely

Richard Hall

### **REMINDER—PLEASE RETURN TO SCHOOL**

**Student Personal Data sheet, General consent form and Early Closure forms**—please check that the information is correct—make changes, sign and date and return to the school. -
