End of Term 3

Time really does fly when you're having fun! I honestly cannot believe that we have reached the final week of Term 3. As a whole school community we should feel very proud of the wonderful events and learning experiences in which our students and young people have engaged throughout the term. Many of these events have enabled our young people to immerse themselves in rich, authentic learning experiences! Thank you to those people who continue to develop and provide these opportunities for our students. Term 4 is shaping up as a jam-packed term with many events and experiences planned or in the pipeline. Leading into the holidays, I wish all students, families and staff a safe and happy break and look forward to continuing our journey together in Term 4.

Assembly / Early Dismissal (2:15pm)

On Friday, 24th of September we will be having a short end of term Assembly at 1:45pm in the School Library. At the Assembly, highlights of the term will be shared. It has been a very busy, but wonderful term of learning and experiences for our students and we look forward to sharing this with everyone on Friday. Following the Assembly, students will be dismissed at 2:15pm.

NAPLAN Results ~ 2021

Recently, families with students in either Year 3 or 5 received their NAPLAN results for 2021. For information regarding understanding the student report, families are encouraged to visit;

<https://nap.edu.au/results-and-reports/student-reports/student-report-video>

In Term 4, teachers and staff will be undertaking an analysis of student results and will use this information, in conjunction with other sets of data/information, to develop teaching and learning experiences which build on from students' demonstrated understanding and skills. Whilst NAPLAN is an important measure of student learning, it is in many ways a 'snapshot' of what students are capable of in regards to their learning.

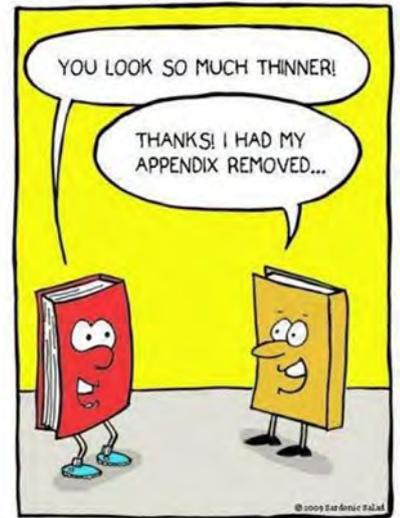

If families would like further information about NAPLAN testing or would like to discuss their child (ren)'s results further, they are encouraged to make contact with the relevant teacher to organise a meeting time for early in Term 4.

The Importance of reading in the Holidays

Earlier in the year I wrote about reading being like most skills in life, with more practice they become better and more proficient. When children stop reading for extended periods of time they often take a few steps backwards in their reading improvement. For this reason, it is important to encourage children to continue reading during the holidays despite the changes to daily routines. Below are some reminders of easy ways to keep the reading momentum up during the holiday break;

Have your child(ren):

- Find words everywhere and read them together – when you're shopping, on street signs, in restaurants, on menus etc.
- Share favourite books daily, look at the words, talk about the words and the stories.
- Learn sight words, these are words we need to learn by sight because they are common and difficult to sound out, learn them off by heart, take photos of them with your brain, find them in the books you read together, write them, play guessing games and memory games with them
- Visit the library, or join if you haven't already, find books they can read independently and books you can share and talk about together
- Use technology to listen and to 'read along' with stories – some sites you have to subscribe to, but others are free. Try: www.storynory.com/.
- Talk, talk, talk about the world around them, the experiences they have and build their vocabulary. Find different ways to say the same thing, new ways to describe objects and ideas and talk about new words they find in books

Trust us, your support makes a significant difference! I look forward to chatting with students about some the reading they will do over the holiday break!

► SORRY ◀
MY WEEKEND IS ALL BOOKED

The Junior Primary class have been learning about adjectives.
Here are the poems we wrote!

Fish

I saw a big rainbow fish.
I saw a sparkly blue fish.
I saw a tiny orange fish.
But my favourite fish was a
fast red fish.

By Michael

Fish

I saw a shiny gold fish.
I saw a big blue fish.
I saw a spectacular small fish.
But my favourite fish was a
fat rainbow fish.

By Patrick

Fish

I saw a big rainbow fish.
I saw a fast red fish.
I saw a small baby fish.
But my favourite fish was a
glittery gold fish.

By Rylen

Fish

I saw a little fast fish.
I saw a big blue fish.
I saw a slow rainbow fish.
But my favourite fish was a
fat pink fish.

By Wyatt

Fish

I saw a fast spotty fish.
I saw a spectacular rainbow fish.
I saw a blinding sparkly fish.
But my favourite fish was a
orange patterned fish.

By Amelie

Fish

I saw a big rainbow fish.
I saw a strong fast fish.
I saw a blue stripy fish.
But my favourite fish was a
slow patterned fish.

By Henry

Fish

I saw a camouflaging blue fish.
I saw a sparkling gold fish.
I saw a black shiny fish.
But my favourite fish was a
fat pink fish.

By Florence

Fish

I saw a shiny blue fish.
I saw a spectacular red fish.
I saw a sparkly fast fish.
But my favourite fish was a
slow orange fish.

By Brody

Fish

I saw a big sparkly fish.
I saw a tiny red fish.
I saw a small orange fish.
But my favourite fish was a
shiny pink fish.
