## Welcome Back to Term 2

Welcome back to Term 2. I trust all of our families enjoyed the break (and particularly the nicer than usual weather!) and the commencement of local winter sports for many of our students and families. We have a very busy term ahead of us with many school and community events quickly filling our Term 2 calendar. At Bute, we always strive to connect with and support local clubs and events. It was wonderful to yet again see a great turnout of our students and families in support of the RSL ANZAC Day commemorations. Well done to everyone involved in this significant and important event. Throughout Term 2 we will continue to seek ways to showcase the wonderful learning happening across our site. It was nice to be able to provide a snapshot of the learning happening in our Playberry-Laser Literacy lessons at our last Assembly. We can't wait to show you even more throughout this term!

# Mother's Day

The Bute Early Learning and Primary School community would like to wish all of the Mums and significant female role-models/carers a very happy Mother's Day for this Sunday, 12<sup>th</sup> of May. We are sure that the special little people in your lives will fill your day with happiness, kind gestures, special gifts and hopefully some more wonderful memories.

Thank you for the positive impact you have, are having and will always have on the lives of our young people.

# NYP Football Carnival

The Northern Yorke Peninsula Football Carnival was held on Friday, 3<sup>rd</sup> of May at Kadina. Congratulations and well done to Alec Jak, Nate Bettess and Brodie Bettess who represented Bute Early Learning a Primary School as part of a combined schools football team (Combining with Wallaroo and Wallaroo Mines Primary Schools). These students played in numerous matches against other neighbouring schools. Thank you to the parents who supported their child's participation through transporting

students to and from Kadina and supervising at this event. Both Brodie and Nate have been selected to attend trials for the state team. Congratulations, boys! GO BUTE!

# Gold Pass

Brodie Bettess and Florence Trengove received a gold pass for their science learning on matter.

# Community Notices

School Student Broadband Initiative | Student Home Internet Program

Government of South Australia  
Department for Education

## Free home internet access for students

**There are currently 2 options available**

Jane Gersch

**Hi Families,**

**This week in class, we explored Mindfulness by looking at how music can influence our moods and the benefits music has when being mindful.**

Mindfulness is about paying attention to the present moment and what we are thinking about. Looking after our mind can have great positive benefits both physically and mentally, such as a reduction in anxiety and stress.

TRY IT AT HOME FAMILY ACTIVITY:  
**MUSIC MOODS**

**YOU WILL NEED:**

- Time together as a family
- A device and internet connection

**WHAT TO DO:**

- Get together as a family. This may be during a walk, dinner or just sitting together in the living room.
- Take turns sharing your favourite songs from your childhood and now.
- Talk about why you like that particular song, how it makes you feel and when you like listening to it; for example: while in the car, to relax, or to workout.
- Look up the songs on a music app or Youtube to share with the family and you could even have a dance party!

**Family Mindfulness habit builder:**

Every night at dinner, ask everyone to take one mouthful of food more mindfully than the rest and think about the flavours they can taste and how it makes them feel. (They can also thank the chef!)

We would love to see what you are doing at home. Please share some photos or let your child's teacher know what you have enjoyed.

Happy  
 Mother's Day

FILM

Happy Mother's Day!

# Why MyTime?

MyTime is for parents and carers of a child with a disability, chronic needs including developmental delay.
